Malvern Youth Cabinet Walk's for the United Way

Scarborough, ON [Tuesday, October 23, 2007] – Malvern Youth Cabinet (MYC) is organizing its 4th Annual Community Walk to raise money for programs and services offered in Malvern through the United Way. In previous years, the walk has taken place to spread awareness about issues that affect their community, advocate for a particular cause and help foster a more positive image of Malvern.

One of the walk's participants and local youth, Nikila Vigayakanathan said "the youth at Malvern Family Resource Centre appreciate the needed support for The United Way. It provides us with the opportunity to bring youth from the community together to work as a team and to make a difference in Malvern.

"The United Way supports many programs and services offered in our Malvern and this makes it, and ideal organization for us to help" said Calvin Ramchand, staff coordinator for the Malvern Youth Cabinet. He also said that "The youth involved in this project believe that giving back to our community is one of the benchmarks to building a more successful neighbourhood."
